

Accounting

ASSOCIATE DEGREE

OVERVIEW

The accounting program at Housatonic Community College prepares individuals to accurately observe and organize financial data. Instruction includes accounting principles and procedures as they apply to the recording and reporting of financial information as well as the use of financial data in planning, controlling, and evaluating entity performance. Upon completion students demonstrate proficiency in valuing, recording, and reporting the business entity's assets, liabilities, and equity.

RELATED CAREERS

Accountants and Auditors
Billing and Posting Clerks
Bookkeeping & Accounting Clerks
Budget Analysts
Payroll and Timekeeping Clerks
Tax Preparers
