Helpful Websites

The University of Texas Writing Center Handouts: easy to use guides that will answer most of your questions.

<http://uwc.utexas.edu/handouts/>

Purdue OWL (Online Writing Lab): guide to grammar and to writing a wide range of assignments; includes formatting guides for MLA and APA.

<https://owl.english.purdue.edu/owl/>

Excelsior OWL (Online Writing Lab): guide to grammar and writing, broken up into helpful segments; includes videos and exercises.

<http://owl.excelsior.edu/posts/view/314>

Online Quizzes and Exercises

Interactive Quizzes from Capital Community College: many activities that cover everything from punctuation and verbs to style and vocabulary.

http://grammar.ccc.commnet.edu/grammar/quiz_list.htm

Grammar Bytes!: free exercises, along with presentations, videos, and handouts to help you improve your grammar skills.

Phone Apps

(Search for these free apps by title in your phone's App Store.)

English Grammar Ultimate by Maxlogic: A simple, well-organized guide to grammar for your phone. Covers most parts of speech, with special sections on essay writing, verb tenses, and spoken English.

LearnEnglish Grammar (U.S. Edition) by the British Council: The free version offers the largest variety of practice quizzes. As with many grammar apps, though, to access all of the content you'll need to pay.
