ADD: Student Directions: An instructor's signature is not required when simply changing sections of the same course when the new course is open and the "ADD" takes place within the first week of classes. An instructor's signature is required for all closed sections of a course or for courses added after the first week of classes. After the 2nd week of classes, the Academic Dean signature is also required.

DROP: Student Directions: An instructor's signature is required after the completion of the 6th week of classes. Prior to that time, no signature is required. If the "DROP" takes place prior to the completion of the 2nd week of classes, your name will be removed from the roster and no grade will appear for the course. After the 2nd week of classes through the 6th week of classes, you will automatically receive a "W". After the 6th week of classes through the end of the 12th week of classes, your instructor has the option of assigning a grade of "W" or "F". Drops are not processed after the 12th week of classes and the "W" may not be assigned.

Instructor Directions: You must personally submit this notice to the Registrar's Office following the 6th week of classes through the end of the 12th week of classes. See "Student's Directions" for grading information after the 6th week of classes.
