**Evacuation of the Building:**

Please note the evacuation signs for the classroom posted near the door. Students must leave the building immediately by the most direct route when the alarm is sounded and the strobe lights go off or when instructed. Please take your books and coats. **Students must move across the street either on Lafayette Boulevard, State Street, or Broad Street.** Students, faculty, and staff will be allowed to return to the building only when directed to by the campus security staff.

**EMERGENCY LOCK DOWN:**

For safety reasons, if the college must go into lockdown, please follow all directions from faculty, staff and/or security.

**STUDENTS WITH DISABILITIES** – Accessibilities/Disabilities Services are provided by Marilyn Wehr, who is responsible for coordination of Section 504/Title II compliance with respect to students. An individual with a disability is a person who has a physical, learning, or psychological/psychiatric disability that substantially limits a “major life activity” or has a record of such impairment or is regarded as having such impairment. While Accessibilities/Disabilities Services are available to students at any time, new students are encouraged to register with the Accessibility Services Office immediately after acceptance by the College. Accessibilities Services are available to students at any time during their enrollment with the college. Students who require services may make an appointment by calling 203-332-5018 or emailing [mwehr@housatonic.edu](mailto:mwehr@housatonic.edu). If the student has an accommodation plan through the Accessibilities Services Office, it is the student’s responsibility to provide the instructor with a copy of the accommodation plan at the beginning of the semester, or as soon as the student acquires the accommodation. We welcome students with disabilities and the opportunity to make their college experience a successful one.

**Student Information, Rights and Responsibilities:**

Student information, which is incorporated into the most recent HCC Academic Catalog, lists student rights, responsibilities and expectations for classroom behavior. Note, as an example, cell phones and paging devices must be turned off or muted before class begins. A copy of the college catalog is also available on the college’s web site.

**Academic Dishonesty:** Students of Housatonic Community College are expected to do their own work on assignments, laboratory exercises, quizzes, examinations and any other academic work. Cheating in any form is viewed by the faculty, the students and the administration as a most serious offense. See The Board of Regents Student Code of Conduct, Part D in Appendix I.

**PART D: PROHIBITED CONDUCT**

*The following list of behaviors is intended to represent the types of acts that constitute violations of this Code. Academic misconduct, which includes, but is not limited to, plagiarism and all forms of cheating. Plagiarism is defined as the submission of work by a student for academic credit as one’s own work of authorship which contains work of another author without appropriate attribution. Cheating includes, but is not limited to: (i) use of any unauthorized assistance in taking quizzes, tests or examinations; (ii) use of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems or carrying out other assignments; (iii) the acquisition, without permission, of tests or other academic material belonging to a member of the University faculty or staff; and (iv) engaging in any other behavior specifically prohibited by a faculty member in the course syllabus.*

Academic dishonesty can result in your receiving an “F” grade on the paper or exam in question and/or an “F” grade in the course. “F” penalties are invoked by faculty members. Academic dishonesty can result in suspension from college or expulsion from college. The last two penalties can only be invoked through the Academic Dean.

Faculty members explain to students exactly what is meant by academic dishonesty and plagiarism and what the penalties are at the beginning of the semester. If you have any question on these issues, consult with the faculty member prior to undertaking the action or submitting the paper.

**Cell Phones:** Cell phones and other electronic devices are to be used in class only for class related activities at the discretion of the instructor. Students who ignore this policy may be asked to leave class or face grade penalties. When there are extenuating circumstances that require students to be available by phone or pager, the students should inform the instructor prior to class, so that together they can arrive at an agreement concerning the device.

**SEXUAL ASSAULT AND INTIMATE PARTNER VIOLENCE POLICY** - Housatonic Community College is committed to creating a community that is safe and supportive of people of all gender and sexual identities. This pertains to the entire campus community, whether on ground or virtual, students, faculty, or staff.

**Sexual assault and intimate partner violence is an affront to our national conscience, and one we cannot ignore. It is our hope that no one within our campus community will be a victim of these crimes. However, if it occurs, the Center for Family Justice has a 24-hour Domestic Violence hotline (888) 774-2900; and a 24-hour Sexual Assault hotline (888) 999-5545. Housatonic Community College is in the process of creating a SART Team - Sexual Assault and Intimate Partner Violence Resource Team – in an effort to continue to serve our students. Any incidents can be reported to Public Safety in either Lafayette Hall Room A105 or Beacon Hall Room 110; Mrs. Theresa Eisenbach, HR Director and Title IX Coordinator (Faculty & Staff) , Lafayette Hall Room A204a (203) 332-5013 or Acting Dean of Students and Title IX Coordinator (Students), Mr. James Connolly, Lafayette Hall Room B109b (203) 332-5183.**

*For further information on Academic Dishonesty, Prohibited Conduct, Cell Phone Use and Sexual Assault and Intimate Partner Violence, please refer to the Student Code of Conduct section in the Housatonic Community College Catalog.*

**Emergencies, Weather Delays, and Cancellations:**

Occasionally, classes have to be cancelled because of extreme weather conditions or other emergencies. The most detailed information is on the HCC website ([www.housatonic.edu](http://www.housatonic.edu)). There will be an alert on the top of HCCs web pages. You can also call (203) 332-5000 and select #3 for the weather/emergency advisories. The College notifies local radio stations as soon as the decision to cancel classes is made, including: WICC-AM 660, WEZN-FM 99.9, WELI-AM 960; WEBE-FM 107.9. In general, it is best to assume that there will be classes unless you hear a specific announcement that the College is closed. Decisions about day classes will be made by 6:15 am; and for evening classes by 3:00 pm; for Saturday classes, decisions are made by 7:00 am.

**Student Roster Review:**

All students need to be listed on the class roster.

A student in good financial standing with the college is one who has no outstanding financial obligations. In order to earn credit in this course, the student is expected to be in good financial standing with the college.

Students must pay their bills to the college on time and in full. Students who do not do so are in financial default and will not earn credit for coursework done while in default.

Failure to maintain good financial standing does not oblige the college to grant credit for a course, regardless of the student's work or attendance in a course.

After a review of the roster (a review is requested at least during the second and third class sessions, but should be checked throughout the semester), the professor's only obligation is to inform the student that the student is not on the roster, and that the student needs to remedy the situation with the Registrar's Office at the college.

**Student Information:**

The mission of the Advising and Counseling Center is to assist students be successful at Housatonic Community College.

Counselors help identify personal, academic and social barriers that may prevent students from succeeding. The Center represents a safe haven for the students, a place where confidential information can be exchanged.

The goal of the counselors, who are trained professionals, is to help students benefit from an experience at HCC that will prepare them for employment in their field of study, or to continue their education at a four-year college or university.

**We're Here to Help**

Sometimes students want to just sit down and talk about personal or non-academic concerns.

The counselors are here to listen. They recognize that many students are trying to balance work, school and family responsibilities along with personal needs. They understand that overwhelming pressure can build; therefore, they offer you a friendly ear in a confidential setting. Referrals to outside agencies are made when necessary.

**Academic Advising / Counseling/Wellness Center**

The Advising Center provides academic advising by appointment and by walk-in, and advisors are available in all academic departments. We will open up a Counseling/Wellness Center soon. If you need a Counselor, please stop in and see one of the counselors.

If you experience an academic problem, come to the Advising Center and discuss your options with a advisor. Advisors are available to discuss a variety of academic issues such as: academic probation, academic suspension, and graduation requirements.

If your career plans change and you are thinking of changing your academic program, change of program forms is available in the Advising Center. They are also available on the HCC website. ## Attention Students

New Computer Use Policy: NETID

**The Net ID password will allow student access at any Connecticut Community College.**

**COMPUTERS WILL NOT BE AVAILABLE WITHOUT YOUR Net ID!**

**Net ID:** The Net ID is composed of the following two items

1. Your Banner ID (without the @ sign).
2. Domain = @STUDENT.COMMNET.EDU

Example: Student named trying to log on with a Banner ID of @00023546 will have the following Net ID: 00023456@STUDENT.COMMNET.EDU

**You will be required to change your password the first time you log on.**

**Your initial Net ID password** will be a combination of personal information as follows:

1. 1<sup>st</sup> three characters of birth month with first letter **CAPITALIZED**
2. Ampersand character (&)
3. Last 4 digits of your social Security Number

**Example:** A user with a birth date of 10/24/79 and SSN of 123-45-6789, the initial password would be: **Oct&6789**

### **Forgotten Passwords**

A web utility has been created to allow users to reset lost or forgotten Net ID Passwords. Go to one of the kiosks in the college lobbies or to the Computer Center to access this utility.

The address is [www.commnet.edu/netid](http://www.commnet.edu/netid)

Prior to resetting a password, a user will have to verify their identity by entering the following personal information in addition to their BANNER ID:

- Birth Date
- Social Security Number

### **Don't Know Your Banner ID?**

If you do not know your BANNER ID, see the Registrar or Academic Advising Offices. Be prepared to verify your identification with a picture ID. This can only be done in person.

**Need Help?** If you need assistance using your Net ID, contact the Lab Assistant or a Student Worker.

### **Password Requirements**

The following requirements must be followed when selecting a Net ID password:

- Password must be at least (8) eight characters.
- Password must be complex and difficult to guess. A password must contain characters from three of the four following categories:
  1. Uppercase characters (*A through Z*)
  2. Lowercase characters (*a through z*)
  3. Numeric digits (*0 through 9*)
  4. Special characters (*for example, !, \$, #, %*)

- Password must not contain all or part of the user's Net ID account name
- Password must differ from previous passwords
- Password is forced to change every 90 days, but users have the ability to change them sooner.

The following are a few suggestions for creating a secure Net ID password:

- Randomly pick alternating uppercase and lowercase vowels and consonants. Add in a digit or two; (e.g., eBiC92oD)
- Combine three and four character words with at least one digit between them. This will create passwords that can be easily remembered but difficult to crack (e.g., Egg123Salad).
- Randomly pick a book, poem or song. Select a phrase from the work and use the first character of each word in the phrase as your password. Add in at least one digit, or change some of the existing letters to digits or special characters. For example, the phrase "Four score and seven years ago our forefathers..." might become this password: 4s&7yaof.

If the password you select does not meet the requirements specified above, you will get the following error message and be asked to try again.

Your password must be at least 8 characters; cannot repeat any of your previous 24 passwords; must contain capitals, numerals or punctuation; and cannot contain your account or full name. Please type a different password. Type a password which meets these requirements in both text boxes.

# myCommNet ALERT

**Housatonic Community College** will use an update service to provide emergency alerts via **myCommNet** Alert. This system enables **HCC** to deliver critical information to our campus about emergencies and weather-related closings and delays, through multiple contact methods, including email and phone calls, in addition to text messaging to students, staff, and faculty.

Text message costs will follow your calling plan's terms for text messages. In some cases, a message may result in two or more SMS / Texts being received.

**Step 1:** Begin by logging into the myCommNet portal for the community colleges.

You will see the **myCommNet** Alert module right on the **Home page**. During the period when this system is being launched initially, both students and employees will be presented with the update form automatically, but you can always go back and update it. Both students and employees will be prompted periodically to check and confirm their contact information.

**Step 2:** To access the update form, click the **Banner Self Service** button.

**Step 3:** You will see the list of colleges with which you are affiliated. You need to choose the first college in the list. You do not need to update your contact information separately for each one.

**Step 4:** Click the “**Personal Information** link or the **Personal Information** tab.”

**Step 5:** Click the “**Emergency Notification Contact Data Collection**” link.

You will be on the **myCommNet Alert Update Page**. When you visit this form, it is in “UPDATE” mode by default. The first time you are presented with this form, you will see the default information that is on record in Banner for you with the college.

**Step 6:** Enter any additional contact information in the lower part of the form. Once you have updated your information, click the “Submit” button at the bottom of the form.

If your information is correct, simply click “Submit” at the bottom of the form.

Students will see an “Opt Out” radio button. If you click this and “Submit,” you will not receive any emergency messages, including weather-closing messages. Employees (including staff, as well as full-time faculty and adjuncts) will not see an “Opt Out” button.

Students can update their home address or home phone in Banner Self-Service by going to “Personal Information,” “Update Address (es) and Phone(s).” Employees cannot update their home address, home phone number, or primary email address. To do that, please contact your local HR director.

A short [step-by-step video](#) is available online for those who may want help.
