

CELEBRATING 10 YEARS

advancing student careers in manufacturing

November 9, 2022 6:00 pm - 8:00 pm

Housatonic Community College Atrium

In 2012, Housatonic Community College unveiled its Advanced Manufacturing Technology Center (AMTC), answering the call for a pipeline of trained workers to enter thousands of unfilled jobs in CT's manufacturing sector. Ten years later, hundreds of students have graduated the program with a certificate to immediately gain employment. Please join the HCC community in celebration of this milestone year.

Sponsorship Opportunities

Presenting Sponsor: \$15,000 (Limit 2 sponsors)

Revenue received in support of the AMTC's 10-year celebration will support the new Equity in Manufacturing Initiative, dedicated to ensuring low-income females and students of color have access and support in this valuable training program.

Expected attendance: 200+ representatives from manufacturing companies and other businesses, organizations and individuals that support the manufacturing industry, elected officials, current and former HCC manufacturing students, CSCU and HCC leadership, faculty and staff.
