

# **Eversource Lineworker Certificate Program**

#### Are you interested in becoming a Lineworker with Eversource?

The utility industry is experiencing tremendous growth in meeting and serving the energy demands of homeowners, businesses, and municipalities across CT. There is a high demand for skilled resources to construct, maintain and service the electric infrastructure. Eversource Energy is partnering with Housatonic campus under CT State Community College and IBEW Locals 420 and 457 to deliver a Lineworker Certificate Program, which has been specifically designed to help develop the future workforce needed in this exciting field. Students will develop the fundamental skills required to effectively install and maintain the Electric Distribution system, including the safe and effective use of common tools and equipment. Students will also build a strong working knowledge of accepted industry practices. Upon completion of the program, graduates will be ready for entry-level employment as Line Helper apprentices.

### **Program Structure:**

- The program is 13 weeks, beginning on January 07, 2025 and concluding on April 01, 2025.
- Courses will be offered virtually in partnership with CT State Housatonic on Tuesday and Thursday evenings from 5:30 pm 8:30 pm and Saturdays, 8:00 am 2:30 pm.
- To successfully complete the program and earn the certificate, students must attend the virtual evening classes online and skill training sessions in person on Saturdays at the Eversource Training Center (Berlin, CT).
