Students should meet with their Guided Pathway advisor prior to making a change to their academic program. Students should run a degree audit and what-if-analysis to ensure they are making informed decisions. Program changes may result in additional time to completion. The effective date of program changes depends on the date the form is processed. Please reference the academic calendar for details.

Students seeking more than one associate degree must meet the residency requirement of 25% of any degree earned at CT State and must have a minimum of 15 credits different from the first degree.

Student Information:

Last Name: ___________________________ First Name: ___________________________ Middle: _______

Student ID: ___________________________

Email: ___________________________ Phone Number: ___________________________

Select from ONE of the below options:
