

CAP Programs Summer 2020

The Center for Academic Progress is offering free, online refresher programs in math and English for Housatonic students for Summer 2020. These programs give you access to online lessons and tutoring, and if you complete them you may be able to advance to a higher level English or math course.

To sign up or for programs or for any questions, please contact:
Andrew Pelletier • apelletier@housatonic.edu • 203-332-8585.

TO BE ELIGIBLE FOR A CAP PROGRAM YOU MUST:

- Be an accepted student of Housatonic Community College,
- Be recommended for placement into ANY of the following classes:
- English 092i, 094i, 092, 094, 093, 101w; Math 095i, 095, 137t
- AND not have taken the class yet. For example, if you have taken English but not math yet, you may still be eligible for a refresher in math.
- Be registered for classes for Fall 2020 at Housatonic

CAP PROGRAMS OFFER YOU:

- Free access to online courses
- Free online tutoring
- Increased preparation for English and math before Fall semester
- A chance to advance to a higher course placement
